

CLASS DESCRIPTIONS

- ☆ **TAP** (ages 5 and up) is a series of regulated and controlled rhythmical movements articulated with the feet to an upbeat tempo, creating unique and diversified sounds! 30-45 minute class
- ☆ **BALLET** (ages 5 and up) is the most important dance class one should take. For the benefit of all students, it is our recommendation that ballet be an ongoing part of every dancer's curriculum. Ballet teaches poise, grace, coordination, correct technique, body placement, control, strength, and flexibility. Ballet is strongly recommended for the tap and jazz student! 30-60 minute class
- ☆ **JAZZ** (ages 5 and up) adheres to the basic principles of dance, but allows for a wider freedom of expression and movement while dancing to the top hits and more. Some jazz classes require an ongoing ballet class. 30-60 minute class
- ☆ **POINTE** (permission from instructor is required/minimum of 4 years of ballet training is necessary/ must be accompanied by an ongoing ballet class / starting around age 12) is the next step of ballet where the dancer performs on full pointe. Pointe work is very demanding on one's muscles and feet, thus can only be taken by those who have achieved technical and physical readiness! 30 minute class
- ☆ **CLOGGING** is a special type of clog/tap dancing that uses jingle taps to create unique sounds. Clogging is performed to fast, upbeat country/ western music! 45 minute class
- ☆ **LYRICAL** (ages 6 and up/must be in a continuing ballet class) is an interpretive form of dancing which uses ballet technique and movements to express the music. Regular ballet work will be utilized in the class. Lyrical must be accompanied by a regular ballet class! 45 minute class
- ☆ **CREATIVE BALLET MOVEMENT** (ages 2 1/2 - 4) is a class for the beginning young student which will enhance motor skill development and build coordination. Children will have the opportunity to be creative in this class. Basic ballet positions, arm positions, and small ballet jumps will be taught during this class! 30 minute class
- ☆ **LITTLE TAPPERS** (ages 2 1/2 - 4) is a class which will introduce rhythmic and motor skill development to young children. A sense of rhythm will develop for the young tapper. Basic tap movements along with freestyle movements will be applied in the class! 30 minute class
- ☆ **HIP HOP** (ages 8 and up) is a form of street dancing consisting of isolated, quick moves. 30-45 minute class
- ☆ **Musical Theater** dance is a fun, high energy class that allows for freedom of imagination while listening to all types of musicals. Students will gain experience in dancing, acting, performing, and improvisation. You must be in an existing jazz class to be in this class.
- ☆ **Contemporary** is a style of dance that draws from modern dance and classical ballet methods. Dancers explore the natural energy of their bodies to produce movement. Contemporary can be danced to any piece of music. No shoes are required. Four years of ballet is a prerequisite for this class, along with a continuing ballet class.
- ☆ **Bounce & Jive** is a preschool jazz class where children have a wide range of movement. Learn how to move and enjoy dance.
- ☆ **Fusion Dance Team** please email to fusiondanceteam@wowway.com
- ☆ All classes are held once a week. Class placement is decided by age, length of training, individual potential, and technical proficiency.
