Guidelines:

- Class placement is determined by ability, then by age. For young children's classes, use age as of December 1, 2011 to determine correct placement.
- Age categories listed on the schedule are approximate.
- Do not include preschool classes when considering years of experience.
- Please keep in mind that there are many levels of I, II and III.
- We want your child to be placed in the best possible class. Please consult the studio if there are any questions on class placement.
- Please be aware that more than 2 consecutive absences will slow down the progress of a student and the entire class. Teachers reserve the right to request that a student take a private lesson or to change the student's class day and time. Please call the studio if your child misses more than 1 lesson.
- There must be a minimum of 6 dancers registered for each class. If there are less than 6 dancers in a class, the class day and time may be changed.
- There is a maximum limit of 20 dancers per class.
